

THE ACADEMY ADVOCATE

Welcome aboard!

LCK Academy is looking forward to welcoming our new students onto the BA (Hons) top-up validated by the University of Portsmouth.

We are also pleased to announce that we have new intakes joining us for the HND Hospitality Management and HND Business (Entrepreneurship and Small Business Management) programmes that will commence in February 2026.

We are super excited to welcome our new students and to continue providing an environment that supports growth, confidence, and success!

Graduation Ceremony

We were delighted to celebrate our graduation ceremony on 23rd January 2026, a truly memorable and exciting occasion for our entire academic community. The evening was filled with pride, joy, and a strong sense of achievement as our graduates marked the successful completion of their programmes. It was inspiring to witness their confidence and enthusiasm as they celebrated this important milestone with peers, families, and staff!

Congratulations from Namees Ibrahim

"I would also like to acknowledge our current students who volunteered during the ceremony. Your dedication, professionalism, and willingness to support your peers were commendable. Many of you shared how motivating the experience was seeing our graduates cross the stage reinforced your own aspirations and commitment to achieving excellence in your studies."
