

A Garden Party to Remember!

To mark the end of another successful academic year, students and staff came together for the LCK Academy End-of-Year Garden Party. Guests enjoyed a freshly prepared garden buffet featuring a delicious selection of food. Alongside the games, cake competition and celebrations, the buffet gave everyone a chance to relax, share a meal and connect with members of the LCK Academy community.

Celebrating Our Brilliant Students

The Garden Party was also an important opportunity to recognise the dedication, progress and achievements of our students. Members of staff presented certificates to students who demonstrated outstanding commitment to their studies. We are incredibly proud of their success and hope their achievements inspire other students to continue working towards their goals.

Creativity Took the Cake

The cake competition was one of the highlights of the celebration. Students showcased their creativity and baking talents by presenting a wonderful selection of home-made cakes. The entries made judging particularly difficult, but prizes were presented to the deserving winners. Congratulations to everyone who participated and helped make the competition such a memorable part of the day!

Stronger Together!

Our students come from many different cultures, countries and communities. Events like the Garden Party allow everyone to come together, develop new friendships and feel part of the wider LCK Academy community. **We wish everyone at LCKA a blissful summer and happy holidays!**

Exciting Growth at LCK Academy!

LCK Academy continues to grow. Following our move to weekday teaching, we have expanded our learning locations to include the Harrow Hub, alongside our Harrow and Brent sites. This exciting step gives students more opportunities to learn, connect and thrive in a supportive environment. It has been fantastic to see the enthusiasm of our students and their ambition, and we look forward to supporting them throughout their journey!

A Warm Welcome to Our New Students!

Our May 2026 students have officially begun their journey at LCK Academy, joining our returning learners in a vibrant and supportive community. With dedicated teaching staff, excellent facilities and engaging programmes, we are here to help every student build confidence, develop valuable skills and reach their full potential. We are excited to see what they achieve!

Student Spotlight

Meet Dr Mohamad Khalid Yar, a student from Afghanistan who is currently studying an HND at LCK Academy while preparing for his UK medical board examinations.

Dr Yar continues to build an impressive career in ophthalmology, performing eye surgeries and contributing to the writing and translation of medical books. Since arriving in the UK, he has continued supporting others through his work with the NHS and by volunteering at a COVID-19 vaccination centre.

His journey demonstrates ambition, resilience and a strong commitment to education and service. By continuing to develop his knowledge and skills, Dr Yar is taking important steps towards achieving his professional goals in the UK.

We are proud to have him as part of the LCK LCK Academy community!

Our Facilities

At LCK Academy, our facilities are designed to provide students with a comfortable, supportive and engaging learning experience. Our modern classrooms, computer rooms, library and dedicated study areas give students access to the resources they need to complete their work, collaborate with classmates and develop valuable skills. Beyond the classroom, students can relax and connect with others in the student lounge, access additional support in a welcoming environment, or express their creativity through our podcast studio. Every space contributes to creating a positive academy experience where students can learn, connect and grow with confidence.

Celebrating Culture and community

On 14 April, our students came together to celebrate the Sinhalese and Tamil New Year, a special occasion filled with tradition, joy and community spirit. The celebration gave students the opportunity to share their customs, experience different traditions and connect with one another. Events like this reflect the diversity of the LCK Academy community and help create an inclusive environment where every student feels respected, represented and valued.
