

THE ACADEMY INSIDER

Staff BBQ

During the summer, LCK hosted a staff BBQ, a wonderful opportunity for everyone to come together, relax, and enjoy each other's company. It was great to see colleagues catching up in a more casual setting, with plenty of good conversations shared alongside a fantastic variety of delicious food. The atmosphere was warm and welcoming, making it a memorable afternoon for all who attended.

SageHR Launched!

We have officially launched SageHR, our new HR system. This platform will make it easier to manage processes such as updating personal details, contracts, job descriptions, timesheets, and payroll integration. Introducing SageHR is part of our commitment to improving efficiency and supporting staff with transparent, reliable, and compliant systems. As part of the rollout, training sessions and e-guides will be provided to help everyone get familiar with the new system.

New Internship Opportunity

In July, we welcomed two **interns from Brunel University of London through the Brunel Summer Internship Programme (BSIP)**. Their placement began with an induction and an inspiring session with our CEO, Irshad Jamaldeen, who shared career advice and insights into our ethos: "Zero self-doubt, Zero hardship."

The partnership, initiated by our Finance Manager and Brunel alum Maleeha Imran, shows how valuable connections can create new opportunities. The interns showed great growth and development during their programme and we are excited to announce that **both interns have successfully joined the Academy post-programme as employees!**

New Intakes

We are delighted to share that we have had 3 new intakes this Autumn who began on September 21st - University of Portsmouth (UoP), followed by another intake on October 12th - University Centre Somerset (UCS). We extend a very warm welcome to the new students and continue to build on the success of our programmes. Thank you for your dedication and commitment.
